

# Excellence grows here.

## **Job Opportunity: Accountant, Campbell River, BC**

### **Who We Are**

Interfor is a growth-oriented lumber company with operations in Canada and the United States. We have an annual production capacity of 3 billion board feet and offer one of the most diverse lines of lumber products to customers around the world.

### **What We Offer**

Interfor is where excellence meets opportunity. We invest in your success by positioning you alongside the best people in top quartile mill facilities located in great communities across North America. In the past decade, we've infused close to \$1 billion into modern facilities and systems that employ the latest technologies.

Interfor is one of the largest lumber companies in the world and we're growing in exciting directions. Come be a part of our success.

We are currently recruiting for an **Accountant for our Coastal Woodlands operations in Campbell River, BC**. The Accountant will be an integral member of the finance team providing accurate and concise financial recording and reporting. The ideal candidate will be a self-motivated team player who possesses operational or manufacturing related accounting experience, solid time management skills, and who holds themselves to a high level of personal accountability.

### **What You'll Do**

- Assist in preparing monthly, quarterly, and annual financial entries.
- Process accounts receivable and accounts payable transactions.
- Preparation of balance sheet reconciliations.
- Accounting for inventories.
- Preparation of internal recurring reports and PowerPoint slides.
- Assist with ad hoc and statutory reporting.

### **What You Offer**

- Manufacturing or operational accounting experience.
- Post-secondary education in Accounting or Business.
- Forest industry experience.
- Demonstrated proficiency with Microsoft Office Excel, Word and Outlook.
- High level of attention to detail and accuracy.
- Ability to organize and prioritize tasks to meet deadlines.

- Strong problem solving, and critical thinking skills.
- Ability to effectively and courteously communicate information and clarify requirements.
- Take personal responsibility for the quality and timeliness of work.
- Understand the importance of teamwork and have a positive impact on the team.
