

# Content Cleaning Technician

## Who We Are

**Servicemaster Restore of North Vancouver Island is locally owned and operated disaster restoration company, proudly serving the Comox Valley and surrounding areas. For the last 22 years we have worked on behalf of numerous insurance companies to help business and homeowners restore their property after disaster strikes. We provide 24/7 emergency service with live answering service to respond to all emergency requirements.**

## What We Are Looking For

Get it done right, can-do attitude, win as a team. These are our Core Values. We are growing and looking for a **Contents Cleaning Technician**.

The Contents Cleaning Technician is responsible for assisting with the cleaning and restoration of contents damaged by water, fire, smoke, mold and other hazards. Content Cleaning Techs provide exceptional customer service, content cleaning, packing of customer contents, site cleanup and completion of detailed job records.

## The Technical Side of What You'll Bring

- Thoroughly clean smoke residue from contents and structures
- Pack contents up with protection and care to avoid damage
- Provide post construction cleaning to prepare a house for occupancy
- Follow established procedures for cleaning structures/contents and handling customer's possessions
- Keep job site clean and professional
- Complete daily paperwork/timecards accurately and in a timely fashion

## The Softer Side of What You'll Bring

- Superior customer service skills and utmost professionalism with clients
- Able to take direction and follow pre-established guidelines
- Able to communicate effectively in English
- Able to deal with clients under difficult circumstances
- Able to work in constantly changing environments

## The Qualifications You Will Have

- Cleaning/janitorial experience considered an asset
- Experience in construction/restoration considered an asset
- Clean criminal record check
- Valid Class 5 Driver's License with clean abstract

**We thank all applicants for their interest, however only short-listed candidates will be contacted. Apply by sending your resume to [info.servicemaster@shaw.ca](mailto:info.servicemaster@shaw.ca)**
