

Security Employment Opportunity

Domcor Health, Safety & Security (DHSS), a long-standing subsidiary of The Corrado Venture Inc. Group of Companies (CVI), is currently looking for **Security Guards** in **Powell River, Port Alberni, Port Hardy, Nanaimo, Langford & Victoria, BC.**

In response to the COVID-19 outbreak, we are looking for reliable & experienced guards to assist with local patrols at essential posts in grocery stores and supermarkets.

DHSS and its constituents conduct business across multiple sectors and strive to advance universal industry health & safety standards. With our core values surrounding our people & clients, we are proud to positively participate in supporting our nation in this time of increased precautionary measures.

Position Overview:

These security positions will consist of 8 or 13 hour shifts (13 hour shifts will include OT). These shifts will be on a rotation of 3 days on, 4 days off and then 4 days on & 3 days off. Patrols will take place inside & outside storefronts and will include uniforms and virtual company orientations, so access to a computer & internet are required.

Requirements of Security will include, but are not limited to:

- Valid Basic Security Licence (BST)
- First Aid Certification considered an asset
- Physical & mental ability to work a 8-hr shift, ability to work alone
- Fluency to speak, read and write in English
- Confidence with technology (i.e. smart phone, tablet, etc.)
- Strong decision-making skills and calm demeanor

Responsibilities of Security will include, but are not limited to:

- Observe, record, and report activities and security incidents while on shift
- Provide exceptional, high level customer service to the client in a sometimes challenging and dynamic environment
- Ensure client property, investments and personnel are secure against theft, vandalism and illegal activity
- Enforce regulations and follow site specific instructions
- Conduct foot and vehicle patrols not limited to standing, walking, and driving for long periods of time
- Respond professionally to site emergencies
- Effectively communicate all suspicious activities and concerns to the appropriate supervisors

For more information on DHSS. visit our website at www.domcor.ca or visit our Facebook page at facebook.com/domcorcanada.

DHSS would like to thank all applicants; however, only selected candidates meeting all minimum requirements will be contacted.
