

COME AND JOIN A DYNAMIC TEAM!!

Due to an increase in student numbers we're in need of additional instructors in our

Health Care Assistant (HCA) Program (Campbell River & Courtenay)

We're looking for the right individuals to instruct our Health Care Assistant (HCA) program in our **Campbell River** and **Courtenay campuses** using the curriculum provided by the College. Instructors must support the College's mission statement and objectives in the learning and teaching environment. Instructors should be caring and supportive with excellent communication, organizational, and leadership skills.

This is a part time position approximately 20 hours per week. Teaching schedules may vary and applicants should be available to teach days, evenings, and/or weekends.

QUALIFICATIONS AND EXPERIENCE:

Applicants must have:

- Current full registration with the CLPNBC, CRNBC, or CRPNBC
 - Non-practising registration is acceptable for theory courses only
- Demonstrated ability to teach adult learners
 - PID or equivalent **OR**
 - Previous teaching experience with satisfactory references **OR**
 - Positive performance evaluations and student course evaluations
- Two or more years of full-time nursing experience
 - One year = 1400 hours so must have 2800 hours of nursing experience
 - With relevant knowledge of Canadian health care system, roles and responsibilities of healthcare team members, current policies and procedures within residential and community care settings
- Nursing experience must include working with older adults with complex health needs
- Nursing experience must include experience or orientation in home support and multi-level care

Applicants should submit evidence of their qualifications and experience with their application.
