

IMAGINE YOUR LIFE'S WORK IN OUR PIECE OF PARADISE

Port McNeill, B.C.

We are eager to hire a **Laboratory Technologist** to join our team at Port McNeill Hospital. The salary range is \$28.08-\$35.02 hourly. This position includes being on call overnight and evenings on rotation. You may also need to cover shifts in Port Hardy, Port Alice and Alert Bay (Cormorant Island). A CLXT will be considered (please refer to [job posting #52248](#)).

As the successful candidate, you perform, record and report diagnostic and therapeutic laboratory tests in one or more sections of the laboratory, such as hematology, immunohematology, biochemistry, bacteriology, histology and urinalysis according to established policies, standards and procedures.

Qualifications

You have successfully completed a recognized diploma program in Medical Laboratory Technology and have certification with the Canadian Society for Medical Laboratory Science (CSMLS).

About Port McNeill

Port McNeill is a small community of approximately 2,700 people. Located on the northeast coast of Vancouver Island, the town is a launching point for sports fishing enthusiasts. Surrounded by nature and wildlife, Port McNeill offered a quiet and peaceful lifestyle.

The Regional District of Mount Waddington is a unique area that encompasses the northern area of Vancouver Island as well as the adjoining parts of mainland British Columbia and the numerous small islands situated nearby.

About Us

With over 20,500 employees, 1,900 physician partners, and over 6,500 volunteers that give their time, skills and experience to our organization, Island Health is the largest employer on beautiful Vancouver Island. We offer an exceptional employer-paid benefits package including dental and prescription coverage, group life, long term disability and extensive extended health plan.

Come be part of our future!

Excellent health and care for everyone, everywhere, every time
