

We are looking for our next colleague to fill a Personal Insurance Specialist role in our Port Hardy branch. This role is an important part of our Waypoint team because serving clients is central to our success. Critical to this role is understanding the insurance and lifestyle requirements of our customers so that you can offer solutions that meet their needs.

The winning applicant will have a customer service approach that focuses on creating positive outcomes. This individual enjoys working in a team environment while delivering service through one-to-one customer interactions. If building and maintaining relationships comes natural to you, and you have an inquisitive nature that helps you to truly understand your client's needs, this role may be very appealing to you.

While we value work experience and licensed agents, we are also prepared to help you gain your accreditation if you have the right interpersonal skills that will mean a winning success story for our clients. So whether you have your Level 1 or 2 license and experience as a broker, or if you have some strong relationship building skills, and a positive attitude, we want to hear from you.

Waypoint Insurance is locally founded in BC and now operates across 17 locations as one of the largest brokerages in BC. We have a large local presence, but we are also agile and dynamic in how we do business across the country. In 2019, Waypoint joined the Navacord group of brokerages. Navacord is a leading insurance and risk management brokerage firm dedicated to providing expert solutions to customers across Canada. With more than 1,000 employees, Navacord is Canada's 4th largest commercial insurance brokerage.

Our organization offers a positive work environment that will keep you engaged and on your toes, working alongside a great crew! Once you have your foot in the door, we aim to keep you challenged and motivated – trying new things and listening to your ideas.
